

# HR AVATAR TRAINING

## Course Overview

The half-day HR Avatar comprehensive training course is designed to empower employers in selecting the best-fit candidates through a strategic combination of online selection assessments. This training will ensure that you equip yourself with the knowledge and tools to make informed hiring decisions that elevate team success.

The training will provide an overview of a range of offerings that include comprehensive 'all-in-one' job-specific assessments, measuring key dimensions such as knowledge, skills, ability, personality, and emotional intelligence.

The training will also focus on workplace competency animated assessments designed to provide feedback on candidates' abilities to collaborate with customers, team members, and leadership positions. Lastly, we will uncover behavioural and habit assessments tailored to assess retention and performance indicators. And, if that wasn't enough, we will also delve into HR Avatar's seamless pre-configured virtual video interview functionality, featuring thoughtfully curated questions for various job types.
